

WELCOME TO BRADLEY VILLAGE

YOU'RE GONNA LOVE YOUR NEIGHBORS!

Ridgecrest and The Reserves are two of four neighborhoods in the master planned community of Bradley Village. The vision for this 80-acre community is to create a natural environment for families embracing a number of recreational amenities through a network of on-site hiking and biking trails, open spaces, private parks and picnic areas. The Ridgecrest neighborhood

features 38 single family homes and The Reserves will have 31 homes. The beautiful floorplans are suited for every lifestyle and every stage of life – thoughtfully designed, energy and environment conscious

and built by local developer – Coastal Community Builders. Parke-West is a collection of 1 and 2 bedroom luxury, boutique apartments and Bradley Gardens is a charming

neighborhood of family apartment homes. Both communities offer the highest standard in stylish apartment living with modern architectural and living design. Whether you buy a home or choose apartment living, you are going to love life at Bradley Village. Ideally situated in the heart of Orcutt it offers everything you need – wine tasting, restaurants, cafes, recreation and

award-winning schools all nearby. Steps from protected open space with plush, natural beauty and a network of trails – Bradley Village is your gateway to both urban and natural pursuits.
